TABLE BASE ONLY AT-A-GLANCE

Build a unique dining table, console or desk from our selection of table bases paired with your top or we can create a custom top to your specifications. However, we recommend using a top at least 96x48" and no larger than 120x60".

Keep in mind that all Julian Chichester Dining Tables and Bases are fully customizable. Please see p10-11 for more information or visit www.julianchichester.com for more information.
