Inspired by the unique angled profile of the architectural icon from which it takes its name, **Flatiron is striking in its simplicity.** Offered in brushed or polished stainless steel, veneer-clad and all Colora colors, Flatiron features built-in wire management with a convenient access plate. When round or square won't do, triangular Flatiron provides a different angle.

Prismatique Designs Ltd., founded in 1979, is a privately owned Canadian contract furniture manufacturer with an international reputation for precise engineering and office table specialization.

Prismatique offers choices—not compromises. We offer extensive versatility in finish options, ranging from painted back glass to stone to veneer and laminate. This flexibility enables the designer to "Customize with Confidence" and partner with us to create unique table solutions at less than custom prices.

It's not just about what we do. It's about how we do it.
