## UPHOLSTERY

At Theodore Alexander, we create high-quality, custom sofas and chairs with smart, stylish options. Our designers and workroom experts teamed up to create TA Studio Upholstery, a collection of sofas and chairs, each beautifully tailored in the designer fabric and finish of your choice. Please let us know if you have any additional questions and we look forward to your order!

If time is not entirely of the essence, your design options open up with very reasonable lead time adjustments. Start decorating with three handles of fabulous fabrics. Specify a wood trim finish. You can even introduce a unique accent chair – in addition to the correlate chairs – to the mix.
