### APRIL TABLES

Designed by Alfredo Häberli in 2012, Produced by Nikari  
12 DESIGNS FOR NATURE

The April table set was designed by Swiss designer Alfredo Häberli in 2012. The massive wooden base is harmoniously combined with the table top by traditional wooden joinery.

The tables in the collection are made of different wood species: birch, ash and oak. They are a natural combination together, but also bring out the different characteristics of the wood material and the contrasting forms of the products.

Available Sizes:

- April High Table (Birch): 9.8" W x 5.9" D x 23.6" H
- April Low Table (Ash): 23.6" W x 19.6" D x 7.8" H
- April Middle Table (Oak): 19.6" W x 11.8" D x 15.7" H

Also Available as A Set.
