779PB

\$5,600.00

/ pair

These exclusive vintage Mid-Century Modern table lamps are entirely handcrafted, a limited creation by Banci - Firenze, in Art Deco style with a modern Minimalist organic design, the handmade leaded mother of pearl shades in the shape of a palm tree are raised on a hand carved black ebonized oak stem, the top decorated in satin brushed steel with a high quality imposing finial. On a turned round steel base. Banci is a 120-year-old Italian Company, always distinguished for its pursuit of innovation in the lighting field, for its use of precious and refined materials and its studies of shapes inspired from nature, geometry, and architecture. Size: Diameter of base 9.5 inches. Fitted with 3 candelabra sockets.
