A contemporary innovative custom modern chandelier, entirely handcrafted in Italy. The handmade geometric cylinder brass structure, resembling a sleek birdcage, has a very organic curvilinear shape decorated with 8 round globes in an innovative Murano glass to resemble alabaster, with the benefit to be lighter and to remain over time of the same variegated translucent ivory white color. On display at our NYDC Showroom. Height of the central pole can be shortened or lengthened to requirements. Customizable in finishes, polished or satin glass, and sphere glass colors as per photograph. Fitted with candelabra sockets.
