

Smania Italian Modern Prototype Brass and Blue Velvet Living Room Armchair

679PG

\$3,900.00

/ Item

This chair is an Italian prototype by the company Smania with great embracing line. The design of the gently curved open back gives attitude to this piece and an aerodynamic outline. The brass tubular legs give a very elegant support with front and back legs folded part way up to cleverly double their profile and enhance this rare design. The chic fabric is a very interesting embossed azur blue velvet.
