/ item

This item is customizable in sizes, finishes and glass colors. Please use the Contact Us button with your requirements.

Cosulich Interiors custom design bespoke light fixture in frosted crystal clear Murano glass, composed of straight strings with a sensual wavy pattern enclosing a glass circle with brass finial in frosted glass to diffuse the light source. The Minimalist organic design combined with the finish of the glass creates a sophisticated modern look that is functional. Customizable in diameter and geometric shapes, finishes and glass colors, as flushmounts and as pendants.
