

# ASCEND

astek × JILL MALEK

# ASCEND

Steady and unyielding, the Ascend wallcovering collection draws upon the strength and ancient rhythm of mountain forms. Designer **Jill Malek** employs detailed line work and soft color transitions to evoke rock formations and mountainous peaks. Created in collaboration with Astek, each repeating mural communicates a calm, earthly power inspired by these majestic, geological giants.

## PRODUCTION

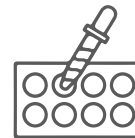

Ascend is a unique wallcovering collaboration between **Jill Malek** and Astek, developed and printed to order in our Los Angeles studio. Presented on a textured Type II substrate and printed using our spot gloss technique, the linework is enhanced with strategic shine, adding luxe dimension.

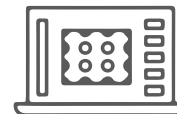

### ALTER SCALE

### CUSTOM MATERIAL

### CUSTOM COLOR

### CUSTOM DESIGN

Digital designs can be scaled up or down to fit your space and aesthetic preferences.

Any of our in-stock substrates can be used with our digital designs.

From subtle to drastic, our digital designs can be completely recolored. Send us your color preference and we'll apply it.

Our designers can alter digital designs to create a unique wallcovering for your project.
