RESONANCE

Resonance captures the fluidity of thought through the expressive movement of brushstrokes. Hand-painted by Astek's in-house design team, each design reflects a state of calm, where gestural marks flow freely, evoking a serene stream of consciousness. These designs invite a quiet, contemplative experience, where the rhythm of the brush connects seamlessly with the tranquility of the mind.

PRODUCTION

Each **Resonance** design is digitally printed to each project's unique specifications. Advanced technology allows us to print on a wide range of substrates, match subtle colors with extreme precision, and print at high resolutions and speeds without sacrificing quality.

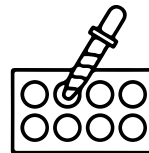

ALTER SCALE

Digital designs can be scaled up or down to fit your space and aesthetic preferences.

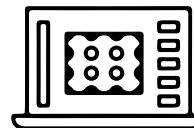

CUSTOM MATERIAL

Any of our in-stock substrates can be used with our digital designs.

CUSTOM COLOR

From subtle to drastic, our digital designs can be completely recolored. Send us your color preference and we'll apply it.

CUSTOM DESIGN

Our designers can alter digital designs to create a unique wallcovering for your project.
